

PART
A

PRE-ARRIVAL — CONSIGNMENT AGREEMENT

Complete and return before drop-off. Marketing approvals and vehicle details agreed here.

CUSTOMER & VEHICLE DETAILS

Customer Name		Date	NRV Ref #	
Phone		Email		
Make	Model	Year	Colour	
Rego	State	Rego Expiry	Odometer (km)	No. of Owners

INTAKE DETAILS

INTAKE TYPE	DROP-OFF DATE	NRV REPRESENTATIVE
() Consignment		

Consignment terms, agreed reserve price, and commission rate are confirmed separately by Northside RV prior to this form being issued. By signing Part A the customer confirms those terms have been discussed and agreed with their NRV representative.

PREPARATION & FAULT POLICY — PLEASE READ

Before your vehicle arrives, please be aware of the following:

Preparation work — any work required to bring your vehicle to dealership standard will be assessed at drop-off and deducted from sale proceeds.

Time & materials — minor items found during preparation (worn seal, broken blind, faulty latch, etc.) are charged at **\$195/hr + parts at cost**. You will be contacted before we proceed on any item over \$200.

Fault disclosure — at drop-off you will be asked to flag any known issues (Part B). This helps us quote repair work ahead of time and get your vehicle listed faster. All repair work is quoted and approved before we proceed.

MARKETING & LISTING PACKAGES

Tick your preferred photography package and optional promotional boost.

PERSONAL BELONGINGS CLEARANCE

The vehicle must be cleared of all personal belongings before intake. NRV accepts no responsibility for any items remaining after this form is signed. Items held for 14 days then disposed of. If NRV staff are required to clear the vehicle: **\$250 flat fee + \$195/hr.**

- ☐ All personal items, clothing, food, and valuables removed from the cab
- ☐ All personal items removed from the living area, kitchen, bathroom, and storage
- ☐ All external storage bays cleared

Customer initials to confirm clearance: _____

KNOWN FAULTS & ISSUES — HELP US HELP YOU

We want to get your vehicle listed as quickly as possible!

Our team carries out a comprehensive checklist to assess your vehicle before it goes to market — but your knowledge of the unit is invaluable. If you know of anything that needs attention or isn't working quite right, please flag it below.

This allows us to quote any repair or rectification work ahead of time, so there are no surprises and we can get your vehicle on the market faster.
